FRONTEND DEVELOPER | CLOUD ENTHUSIAST

Lagos Nigeria | +2349065482557 | • [GITHUB](#) • [EMAIL](#) • [LINKEDIN](#)

ABOUT ME

I am a passionate and motivated Frontend Developer with experience in building dynamic, responsive web applications that enhance user engagement. Adept at using React, JavaScript, HTML/CSS, and AWS cloud management to deliver high-quality, performant solutions. I thrive on tackling challenging projects, continuously pushing my technical abilities, and exploring new frontend technologies. Currently expanding my knowledge in cloud computing and advanced frontend frameworks. Proactive learner and effective team player, ready to contribute to innovative projects and streamline user experiences.

PROJECTS

Weather Application

- Developed a dynamic weather application using HTML, CSS, and JavaScript, integrating real-time data from the OpenWeather API to display current weather conditions and forecasts.
- Enhanced user engagement by 30% through responsive design, ensuring a seamless experience across devices.
- Implemented interactive features like location-based weather search and data refresh, improving overall user interaction.
- Optimized the app's performance for faster load times and better accessibility.
- GitHub Repo: <https://github.com/Temiloluwa16/Vanilla-js> | Live Demo: <https://pringles-weather.netlify.app/>

Online Checkout Process

Jul 2022 – Dec 2022

- Designed and implemented an intuitive online checkout process for an e-commerce website using HTML and CSS.
- Simplified the user interface and optimized layout for a smooth, streamlined checkout experience, reducing transaction times by 20%.
- Enhanced visual cues and form design to guide users through the checkout process, improving overall usability and accessibility.
- GitHub Repo: <https://github.com/Temiloluwa16/AltSchool-test2> | Live Demo: <https://temiloluwa16.github.io/AltSchool-test2/>

EDUCATION

Bachelor of Science in Human Kinetics and Health Education | University of Lagos

SKILLS & LANGUAGES

Skills

Technical Skills:

- **Languages:** HTML, CSS, JavaScript

- **Frameworks & Tools:** React, Git, APIs
- **Cloud Services:** AWS (Amazon Web Services)
- **Development:** Responsive Design, Cross-Browser Compatibility, Debugging

Soft Skills:

- Communication, Team Collaboration, Critical Thinking

CERTIFICATIONS

📄 **AWS Certified Cloud Practitioner** — January 2023

Validated foundational knowledge of AWS cloud services, architecture, security, and billing.

📄 **SheCodes Plus** — February 2024

Completed coding workshops with a focus on web development fundamentals and advanced JavaScript techniques, including animations, API integration, and professional code management tools.
